

Spring Valley Baptist Church Safety Plan

- **Services:**
 - Service times have spread out to best accomplish social distancing. 9 am, 10:45 am, and 12:30 pm. The 12:30 pm service was added to help ensure smaller attendance.
 - No Sunday school classes, youth group classes or Children's classes. All services will be Family Friendly.
- **Entrance/Exits**
 - Everyone will be asked to enter through the north foyer, whether you park in south parking lot or north parking lot
 - Everyone will be asked to exit out of the South doors or the Fellowship doors
- **Seating:** We've taken out every other row of seats
 - Family units can sit in a row together.
 - Need to socially distance from each other in rows
 - Please make sure to have three seats between you and other families.
- **Offering:**
 - We will not be passing an offering plate.
 - 4 Offering Boxes will be available: Two on the North wall. 1 on the wall as you enter the Fellowship Hall and 1 in front of the South hallway.
- **Social Distancing:** Stay safe and consider the safety of others
 - Avoid hugging
 - Avoid handshakes
 - Stay 6 feet apart from people not in your family/communal group
 - Bulletins will be available to pick up but not handed out.
 - Signs will be posted throughout the facility encouraging social distancing guidelines
- **Stay at home if:**
 - You have a fever
 - You have cold/flu symptoms
 - You have respiratory diseases such as asthma, COPD...
 - You have weak immune system
 - Older adults with underlying medical conditions
 - Use common sense. You know if you are at a higher risk.
- **Masks:** We are not making masks mandatory however highly recommended. We will have a limited amount of masks available upon request.
- **Our cleaning plan:**
 - Our professional team janitorial team will deep clean our facilities each week, using a spray that will disinfectant all surfaces.
 - Our team of volunteers will wipe down all common surfaces, door handles, etc.. using professional grade cleaner and spray a Lysol type disinfectant between each service.
 - Hand sanitizer will be available at multiple access points
